

TOWN OF BROOKLINE  
LISTER ACTIVITIES/MEETING

October 20, 2014

Those present: Marsha Omand and Doug Woods

Updated parcel address information for Merrill and Alden.

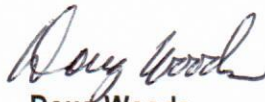

As a result of a property ownership dispute, a survey review appears to show that Kim Rink does own parcel ID 000003 024, which at the present time is incorrectly shown as belonging to Brookline Church. District Advisor Nancy Merrill will be consulted since this involves Span Numbers that need to be corrected. (parcels 000003 022 01 and 000003 023 belong to Brookline School, which includes the Brookline Church)

Listers present did computer entry of property changes as a result of site visits on 10/14/2014. Ezequille, Hallowell, and Schaefer were completed, along with the corresponding Change of Appraisal work in NEMRC. Time did not allow us to begin work on the Ullman property, which will be done in the very near future.

Next meeting is scheduled for Monday, November 17, 2014 at 6 p.m.

Respectfully submitted,

Marsha Omand
