

Brookline Listers

Monthly Meeting/Activities

January 26, 2015

Those Present: Marsha Omand, Doug Woods

Listers experienced computer access problems; Guy Tanza came in to help but problems could not be resolved; Guy will contact NEMRC and get things straightened out.

Along with Guy, listers discussed the letter from Green Mountain Power regarding an easement they have been given by Putney Mountain Association. The easement crosses into 2 separate land parcels; District Advisor Nancy Merrill will be consulted to determine how this can be properly recorded for any future reference.

Listers will be continuing to work to verify that all completed property site visits have been correctly updated and listed in CAMA software system.

Our next meeting is scheduled for 6 p.m. on Monday, February 23, 2015.

Respectfully submitted,

Marsha Omand

Doug Woods

Don Gokey
