

TOWN OF BROOKLINE
LISTER ACTIVITIES/MEETING

Those present: Marsha Omand and Doug Woods

Minutes were reviewed from our meeting of 2/23/15.

Current Use information was downloaded from the State.

The State asked us to send form #4155, which is a certificate that states we have appeal or suit pending...which we currently CANNOT do because of the Cornish appeal of his tax evaluation.

Town resident DiVirgilio submitted his military documentation for his \$40K taxable value exemption.

Land transfers were processed.

Cy Bailey has become our new District Advisor...which we are very happy about!

Emails were reviewed...and Becca Schaefer was answered on the new value we placed on their property with recent improvements that were made, and we welcomed her feedback.

Marsha and Doug plan to begin spring site visits on 4/10/15.

Next meeting is scheduled for 6 p.m. on Monday, April 27, 2015.

Respectfully submitted,

Marsha Omand

Doug Woods
