

Selectboard Office  
Town of Brookline  
P.O. Box 403  
Brookline, Vermont 05345

Procedure, Process & Policies  
Town Approval of Excess Weight Use  
Brookline Roads and Bridges

### Application Process

1. Complete a permit application with the required information and a \$10.00 fee, for either a single vehicle or for the fleet. The permit shall be in effect for no more than one year ending on March 31 on any given year.
2. The holder of the permit is required to furnish the Town with a valid Certificate of Insurance in the following amount: a minimum of \$300,000/500,000 Personal Liability Coverage and \$300,000 Property Damage Coverage.
3. By authorization of the Selectboard, once items 1 & 2 (above) have been reviewed and approved by the Road Commissioner or Highway Supervisor, it will be signed and the permit application will be mailed back to the person/company requesting said permit.

### Town Policies

1. When an incomplete application is received, a letter is sent to the applicant as soon as possible, which specifies the additional information needed before the Selectboard can consider the application.
2. Maximum weight limit allowed is 80,000 lbs.

Exceptions: The Selectboard will consider weight limits in excess of 80,000 lbs. for specific projects of limited and specified duration.

Other: The Selectboard reserves the right to reduce the weight limit on a specific bridge should its condition change during a given year.

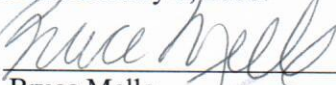

The Town of Brookline has set the following weight limits:

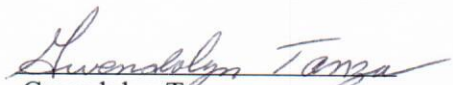

- |   |            |
|---|------------|
| 1. Bridge #19 Green Iron Bridge Over West River   | 60,000#    |
| 2. Bridge #12 Over Grassy Brook Road Near Putney Mtn. Rd.                                   | 60,000#    |
| 3. Bridge #11 Over Grassy Brook Road Near Papoose Rd.                                       | 60,000#    |
| 4. Bridge #10 Over Grassy Brook Near Town Office  | 60,000#    |
| 5. Bridge #8 Over Grassy Brook 1 <sup>st</sup> Bridge on Gravel Portion of Grassy Brook Rd. | 60,000#    |
| 6. Bridge #15 Over Parker Brook on Greer Road Near Parker Rd.                               | Not-Posted |

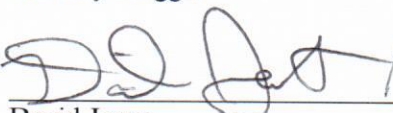

Note: Gravel portions of all roads will be posted to 60% of the legal load limit during mud season.

Approved by the Brookline Selectboard on February 8, 2018.
