

**Road Equipment Purchase Advisory Commission**

20190911

Call meeting to order 1835  
Archie Clark, Joseph Dutton, Mark Bills

Archie stated that we should be looking for a piece of equipment with less than 5000 hours

The group agrees that a wheeled excavator is the proper piece of equipment to search for

The excavator must be able to accept mower attachments

Has a digging bucket and a ditching bucket

Between 18,000lb-30,000lb

price not to exceed \$75,000

This search will not necessarily be limited to dealerships

Joseph will put together a request for purchase to be submitted and to the select board vote the  
October 2nd

meeting was adjourned 2000
