

Request for Proposal - The Town of Brookline is seeking to hire a consultant well versed in analyzing the source, cause and modes of mitigation of mold / mildew growth in an unheated 19th century historic brick building. The scientific investigation and analysis of the presence of mold in said building should include identifying the methods and materials necessary to modify the environment within the building, so that the visible and invisible mold source is corrected in such a way as to prevent its recurrence in the future. Said consultant must demonstrate previous experience with providing an accurate assessment with successful results. Certifications and evidence of insurance must be included with the bid for the assessment. The Town reserves the right to reject any and all bids and to accept the bid it deems most favorable to the town. Bidders are expected to make an appointment with the Building Commissioner/Selectman Bruce Mello via email; BMello.BrooklineVT@Gmail.com or by phone 802 365 4679 to evaluate the project and ask questions. Sealed bids may be mailed to: Town of Brookline PO Box 403 Brookline, VT 05345 or emailed to the selectboard chair DMaggio.BrooklineVT@gmail.com Attention BMH Mold Study Bids will be opened at a regularly scheduled selectboard meeting on Wednesday April 3, 2024 at the town hall at approximately 7 PM. Bidders are encouraged to attend the meeting in person or Join Zoom Meeting
