

Brookline Round School House 2026

Tentative Agenda

1. Interested members of the community are invited to meet at town hall on Thursday June 25, 2026 at 2:00 PM to visit the Historic Round School House and memorial garden.
2. Currently there are two appointed members to the committee; Dot Maggio and Laurie Martocci. Marjorie Ray would like to be appointed to the committee by the Selectboard. Because we do not have a quorum (minimum of 3 appointed people), the meet up on Thursday is not an official meeting. However, a post will be made on the FaceBook page to invite others who may be interested in being appointed.
3. A request has been made to the Selectboard to appoint Marjorie Ray to the committee so that a reorganization meeting can occur with a quorum committee.
4. Future meetings will have agendas posted 48 hours in advance and place on the website. If you are interested in joining us on Thursday, please COME!!
