Round Schoolhouse Update

On Saturday October 3rd, Marjorie Ray and Dot Maggio opened up the Round Schoolhouse to meet with people who would like to assist with planning an open house or two, consider content inventory, garden maintenance and maybe a fund raising event in the future.

Currently, the RSH Committee consists of three residents, Laurie Nau-Martocci, Marjorie Ray and Dot Maggio. Long time resident Laurie is moving South this fall with her husband Nick. Three people are needed for a quorum. I am pleased to say that Buffy Smith and Jean Albee came by and with very little coaxing, agreed to accept an appointment onto the committee from the Selectboard. But before the end of the day, Dot was approached by Jess Guerraro about participating on the committee as well. There may be one or two more parties interested. I am pleased to be able to put forth these three volunteers for appointment to the Round Schoolhouse Committee by the selectboard this Wednesday.

We hope to have a reorganizational meeting in the next 4 weeks. Marjorie Ray has offered to open the RSH on Saturday October 10th from 12 - 2pm. Stop by and visit this 204 year old one room school house.

Respectfully submitted,
Dot Maggio
